Sake

Nøgne Ø
Junmai

The countryside of Grimstad, southern Norway, is home to Nøgne Ø, an internationally-acclaimed craft beer brewery and manufacturer of Europe's very first sake, Nøgne Ø Junmai. Hand-brewed using traditional methods, pure local water, and premium ingredients, the sake is great on its own or with a variety of foods, including sushi and cheese. Featuring peach, melon, and yellow flower aromas and flavors, the sake has a rollicking complexity and delightful mouthfeel. Best served slightly chilled.
